MEMORANDUM FOR: Chief, SAVA

SUBJECT : Coordination on Paper for Dr. Henry Kissinger

FE Division has reviewed the paper prepared by SAVA which will be forwarded to Dr. Henry Kissinger in response to his request of 19 May 1970 for information on Viet Cong military proselyting and penetration efforts. A representative of FE/VNO has discussed the paper with representatives of SAVA, OCI, and OER. The only hesitation we have is the use of specific figures found in paragraph 7 which at best can only be very imprecise estimates. However, since the paper clearly implies such and the White House is already aware of these figures from a previous OER study, FE Division is in agreement with the substance of the paper and hereby coordinates on it.
